President's Message

The year has flown by with summer fast approaching bringing warm weather and the AAPL annual meeting being held from June 16th through the 18th in Vail, Colorado. Please visit the AAPL website for information and registration.

The first annual "Night at the Ballpark" was a huge success! Special thanks to Justin Foley, Cheryl Schmidt, Randy Helms and Carla Francis for making this NHAPL's premiere event. We also wish to express our sincere appreciation to all of our sponsors as indicated on page four.

Arthur E Berman will be our guest speaker on May 13th. He offers a colorful presentation and one you do not want to miss. Mr. Berman is a geological consultant with thirty-two years of experience in petroleum exploration and production. He is a specialist in prospect and play evaluation, reserve assessment, risk evaluation, subsurface geological and geophysical interpretation, and database management. Mr. Berman will provide an update on the Eagle Ford Shale.

With May comes the NHAPL 2010-2011 annual election being held at the May 13th luncheon. Your candidates are as follows:

Officers:

President: Randy Helms
Vice President: Glen Mauldin
Treasurer: Carla Francis
Secretary: Caleb Fielder

Directors:

Joe Edgar **Aaron Russell**
Justin Foley **Curtis D Horne**
Cheryl Schmidt

Cynthia Hardin – Immediate past president, AAPL Regional Representative.

An advisor position has not been included as the past president serves as an advisor and any additional advisor is not indicated in the by-laws. Also, as some members have mentioned the size of our organization does not warrant additional advisors and as the board has several people serving for numerous years there does not appear to be a need. We invite those interested in serving to volunteer as committee chairs or other positions as the need arises.

Your Board of Directors represent you and we welcome you to voice your thoughts and concerns at the upcoming luncheon. If you are unable to attend the monthly meetings please contact any board member should you have concerns.

In the spirit of fairness as to the recent March AAPL board meeting I am providing a link to the Dallas association's report that you may copy and paste onto your browser

<http://www.dapl.org/News/10-04-14/AAPL-Director-s-Letter-to-DAPL-Membership.aspx>

As the year comes to a close I would like to thank the board for their accomplishments and service to NHAPL, our sponsors, and all of you who have made this year possible. We bid farewell to our friend and colleague, Jim Cole, and thank all those who attended his services. NHAPL, on your behalf, sent flowers and we received a note from Jim's wife, Mary Ann, indicating that Jim loved being a landman and treasured the friends he made during his career. She also indicated that she loved our flowers containing ginger, bird of paradise and protea.

I am grateful to have served you as your president and provide you with a new website and newsletter that you can be proud of, and welcome the new members. I am thankful for our programs that have assisted in "Bridging the Gap" between the various oil and gas disciplines, and the socials that provided networking opportunities. And I am thankful for representing you as your TxALA representative that has served to unite the Texas local associations and kept us current on potential legislative issues that may affect our Texas industry. I remind you that we have a noble profession. Thank you for allowing me to serve you.

Cynthia D Hardin, RPL

May 6, 2010 "Night at the Ballpark"
Cynthia Hardin, Roy Horne, Mark Warwick, Cindy Chionsini
